

# All The Faint Lights

Steve Moakler

Lies are like stones. They sink in  
Pull in the air you're breathing  
You can keep it inside  
The devil will reside if you let him  
Our hearts are all barricaded  
And the poisons will decorate it  
I wanna know love  
I wanna be where you are  
So show me the way  
I wanna be like that  
I wanna hear you call my name and not look back

Cause all the faint lights  
They left me stranded and lost  
Reaching through empty pockets trying to pay my cost  
I put up a fight  
But now it's taking its toll  
I'm waiting for something to set fire  
Wake up my soul

All the people are trapped on freeways  
With signs that say "Have it your way"  
But we all lost track soon as we got control  
So show me the way  
I wanna be like that  
And I wanna hear you call my name and not look back

Cause all the faint lights  
They left me stranded and lost  
Reaching through empty pockets trying to pay my cost  
I put up a fight  
But now it's taking its toll  
I'm waiting for something to set fire  
Wake up my soul

When the weight is on, I feel alone  
Trapped inside my flesh and bones  
But if I let go of everything  
The stars compose a song to sing

A song for all the faint lights  
They left me stranded and lost  
Reaching through empty pockets trying to pay my cost  
I put up a fight  
But now it's taking its toll  
I'm waiting for something to set fire  
Wake up my soul
