

## Blue Jeans

Steve Moakler

Came out for the gold rush and haven't gone home  
That river shining just keeps going on and on  
I've been trudging through the fields  
And fishing in the streams  
Fading in the sun like a pair of blue jeans

Like a pair of blue jeans  
Loosen up around the seams  
Patching up these holes down my knee-ee-ees  
Getting better with time  
It's a beautiful thing  
Breaking in this life  
Like a pair of blue jeans

Pulled up when the water gets too high  
Hanging in the breeze out on the line  
Nothing fancy going on here  
It's just what you see  
Tried and true to you like a pair of blue jeans

Like a pair of blue jeans  
Loosen up around the seams  
Patching up these holes down my knee-ee-ees  
Getting better with time  
It's a beautiful thing  
Breaking in this life  
Like a pair of blue jeans

Gonna keep my leg up on tomorrow  
Hold my place and time through all the years  
Mountain highs and valley lows  
And all that's in between  
There ain't nothing in the world like a pair of blue jeans

Like a pair of blue jeans  
Loosen up around the seams  
Patching up these holes down my knee-ee-ees  
Getting better with time  
It's a beautiful thing  
Breaking in this life  
Like a pair of blue jeans, yeah  
Breaking in this life  
Like a pair of blue jeans
