

# Breaking New Ground

Steve Moakler

Shovel on my hands, sweat on my shirt  
Been workin' for a while boys, on this pile of dirt  
Tryin' to dig a little deeper, in a hard rock town  
No it ain't easy, breakin' new ground  
Burnin' in the hot sun, soakin' in the rain  
Gettin' pretty good at, smilin' through the pain  
About to the point where, most turn around  
No it ain't easy, breakin' new ground

It's a long hard day, but you sleep at night  
It's an inch by inch push on down the line  
Only one way through, just get up and do  
It again, and again, and again, and again, and again

It's gonna take time and its gonna take heart  
Yeah that bedrock baby it don't just fall apart  
If you're lookin' for the good stuff, it's a little further down  
It sure ain't easy, breakin' new ground

It's a long hard day, but you sleep at night  
It's an inch by inch push on down the line  
Only one way through, just get up and do  
It again, and again, and again, and again, and again

If you want it bad enough, no you won't back down  
But it ain't easy, breakin' new ground  
It ain't easy, breakin' new ground

Shovel on my hands, sweat on my shirt  
It ain't easy
