

# Always Something There To Remind Me

Steve Tyrell

I walk along the city streets  
You used to walk along with me  
And every step I take  
Recalls how much in love we used to be

Oh, how can I forget you  
When there is always something there to remind me  
Always something there to remind me

As shadows fall I passed a small cafe  
Where we would dance at night  
And I can't help recalling how it felt  
To kiss and hold you tight

Oh, how can I forget you girl  
When there is always something there to remind me  
Always something there to remind me  
I was born to love you and I will never be free  
You'll always be a part of me

If you should find  
You miss the sweet and tender love we used to share  
Just go back to the places  
Where we used to go and I'll be there

Oh, how can I forget you baby  
When there is always something there to remind me  
Always something there to remind me  
I was born to love you and I will never be free  
You'll always be a part of me

There's always something there to remind me  
Always something there to remind me  
You know there's always something there to remind me  
There's always something there to remind me
