

I'm In The Mood For Love

Steve Tyrell

I'm in the mood for love
Simply because you're near me
Funny, but when you're near me
I'm in the mood for love

Heaven was in your eyes
Bright as the stars we're under
Oh, is it any wonder?
I'm in the mood for love

Why should we think of weather?
This little dream might fade
We'll put our hearts together
Now we are one, I'm not afraid

If there's a cloud above
If it should rain, we'll let it
But, for tonight, forget it
I'm in the mood

So please don't keep me waiting
You'll never lose
My heart is yours for taking, darling
I'm in the mood for love
