

I Say A Little Prayer For You

Steve Tyrell

The moment I wake up
Before you put on your make up
I say a little prayer for you

And while I'm combing my hair now
I'm wondering what dress you wear now
I say a little prayer for you

Forever forever you stay in my heart
Forever forever we will never part
Oh how I love you
Together together thats how it must be
To live with out you would only mean
A heart break for me

Ill run for the bus dear
While I riding I think of us dear
I say a little prayer for you

At work I just take time
And all through my coffee break time
Ill say a little prayer for you

Forever forever you stay in my heart
Forever forever we will never part
Oh how I love you
Together together thats how it must be
To live with out you would only mean
A heart break for me

My darling believe me
For me there is no one
No one but you baby

Please love me to
C'mon and answer my prayer now Lord
Answer my prayer now baby

I'll say a little prayer for you
I'll say a little prayer for you

Forever forever you stay in my heart
Forever forever we will never part
Oh how I love you
Together together thats how it must be
To live with out you would only mean
A heart break for me

Forever forever you stay in my heart
Forever forever we will never part
Oh how I love you
Together together thats how it must be
To live with out you would only mean
A heart break for me
