Night & Day

Steve Tyrell

Like the beat beat of the tom-tom When the jungle shadows fall Like the tick tick tock of the stately clock As it stands against the wall Like the drip drip drip of the raindrops When the summer shower is through So a voice within me keeps repeating you, you, you

Night and day, you are the one Only you beneath the moon or under the sun Whether near to me, or far It's no matter darling where you are I think of you

Day and night, night and day, why is it so That this longing for you follows wherever I go In the roaring traffic's boom In the silence of my lonely room I think of you

Day and night, night and day Under the hide of me There's an oh such a hungry yearning burning inside of me And this torment won't be through Until you let me spend my life making love to you
