

# Baby I'm Yours

Steve Wariner

I gotta be the luckiest man alive  
To have somebody like you  
To share my life  
Now there's no more schemin'

Nothin' in the world I wouldn't do for you  
It hurts me when I think  
That you feel the same way too  
I must be dreamin'

Baby I'm yours  
Heart and soul  
Baby I'm yours  
'Til we both grow old  
Baby I'm yours  
Just do with me what you want

I've been around the world  
And I've had my share  
Of just about everything there is  
Girl, I swear  
It just don't mean nothin'

Grass is always greener on the other side  
But whoever said that  
Never did look into your eyes  
I have your lovin'

Baby I'm yours  
Heart and soul  
Baby I'm yours  
'Til we both grow old  
Baby I'm yours  
Just do with me what you want

Baby I'm yours  
Heart and soul  
Baby I'm yours  
'Til we both grow old  
Baby I'm yours  
Just do with me what you want
