Can't Find My Way Home

Steve Winwood

Come down off your throne and leave your body alone - somebody must change

You are the reason I've been waiting so long - somebody holds t he key

Well, I'm near the end and I just ain't got the time And I'm wasted and I can't find my way home

Come down on your own and leave your body alone - somebody must change

You are the reason I've been waiting all these years - somebody holds the key

Well, I'm near the end and I just ain't got the time And I'm wasted and I can't find my way home
