

## Just in Case

Stevie Hoang

Girl when I got the news today  
I didn't know just what to say  
So I just hung up the phone  
Needed time to be alone  
To try to clear my head

They saw you with another guy  
And even though we've said goodbye  
Never knew it'd be this way  
Always thought we'd be okay  
And one day you'd come back home

So I kept all your photographs  
Your things in the drawer  
Baby I should know better but  
I can't let them go  
So I'll keep them for you  
I got nothing to lose  
It's a chance I'm gonna take

Just in case you change your mind  
Just in case you realize  
That you made a mistake  
And you wanna come home  
I'll be here just in case  
Just in case (you don't find what you're looking for)  
Just in case (you're missing what you had before)  
Girl I'm ready to wait for as long as it takes  
I'll be here  
I'll be here just in case

Girl there's so much that I really wanna say to you  
It seems crazy after everything that we've been through  
Just to let it go but I'll leave you alone  
Just to give you some space  
And I hope you'll come back someday

So I'll be here checking my phone  
Hoping that you're gonna call  
Tell me you're missing my love  
And say that you wanna come home  
Baby I'll wait for you  
Don't know what else to do  
It's a chance I've gotta take

Just in case you change your mind  
Just in case you realize  
That you made a mistake  
And you wanna come home  
I'll be here just in case  
Just in case (you don't find what you're looking for)  
Just in case (you're missing what you had before)  
Girl I'm ready to wait for as long as it takes  
I'll be here  
I'll be here just in case

Everybody say...

Just in case you change your mind  
Just in case you realize  
That you made a mistake  
And you wanna come home  
I'll be here just in case  
Just in case (you don't find what you're looking for)  
Just in case (you're missing what you had before)  
Girl I'm ready to wait for as long as it takes  
I'll be here  
I'll be here just in case
