

No Regrets

Stevie Hoang

I'll remember, I'll remember you
I'll remember, I'll remember you
I'll remember, I'll remember you

I don't regret that we didn't last
I don't regret that it hurt so bad
Cause even though we ran out of time
I'm still glad you were mine
I don't regret that we fell apart
I don't regret that I broke my heart
Cause even though it's hard to leave it all behind
Girl I'm still glad you were mine

I wasn't right to be so angry at you
I wasn't right for blaming this all on you
I was hurting deep inside when you ran away
Baby now I realize and I wanna say

I was so wrong and I never meant to hurt you
They were so right when they said I don't deserve you
Now I can't believe that you're gone
You got me here all alone
Girl it's been hard to move on
You got me saying

Ooh, baby I want you to know that my feelings were true
I wouldn't know how to love if it wasn't for you
If I could do it all again
I wouldn't change a thing
I want you to know

I don't regret that we didn't last
I don't regret that it hurt so bad
Cause even though we ran out of time
I'm still glad you were mine
I don't regret that we fell apart
I don't regret that I broke my heart
Cause even though it's hard to leave it all behind
Girl I'm still glad you were mine

I'm tired of thinking about the things I could have done
I'm tired of thinking about the way I got it wrong
Cause it ain't gonna bring you back, gonna let it burn
Gonna leave it all behind, even though it hurts
Cause I realize that it's time to move on
I want you to know that I ain't mad no more

I'm putting it all in the past
Sorry that it couldn't last
I hope one day you'll understand
Girl you know you got me saying

Ooh, baby I want you to know that my feelings were true
I wouldn't know how to love if it wasn't for you
If I could do it all again
I wouldn't change a thing
Baby yeah

I don't regret that we didn't last
I don't regret that it hurt so bad
Cause even though we ran out of time
I'm still glad you were mine
I don't regret that we fell apart
I don't regret that I broke my heart
Cause even though it's hard to leave it all behind
Girl I'm still glad you were mine

Thank you for the times that we had
Girl if I could go back
I know that I wouldn't change a thing

I don't regret that we didn't last
I don't regret that it hurt so bad
Cause even though we ran out of time
I'm still glad you were mine
I don't regret that we fell apart
I don't regret that I broke my heart
Cause even though it's hard to leave it all behind
Girl I'm still glad you were mine
