

Sorry for Loving You

Stevie Hoang

I'm sorry for loving you (I'm sorry for loving you)
I'm sorry for all the tears you cry
For all that I did to you (for all that I did to you)
I'm sorry I came into your life
Cause if it wasn't for me
Girl you'd still believe
That a man could be good
Now your heart won't let you love again
Baby I'm sorry for, I'm sorry for loving you

Girl I was so wrong to make you
promises I knew I couldn't give you
Cause I made you believe that I'd always be
The one to give you all your hopes and your dreams

Girl you think that I took advantage
It's hard for you to understand it
I loved you girl right from the start
I never meant to break your heart
I couldn't give you what you needed
Girl I'm not ashamed to admit it
I was so wrong, now that you're gone
I wanna say

I'm sorry for loving you (I'm sorry for loving you)
I'm sorry for all the tears you cry
For all that I did to you (for all that I did to you)
I'm sorry I came into your life
Cause if it wasn't for me
Girl you'd still believe
That a man could be good
Now your heart won't let you love again
Baby I'm sorry for, I'm sorry for loving you

I apologize for all the things that I put you through
I wish I could take back
All the things I said that ever hurt you
Never meant to let you down
But it's better we go our separate ways

I know that I should've treated you better
Maybe we'd still be together
Sometimes I just wanna call
But it's better we don't speak at all
I wish that you could forgive me
Even if you don't believe me
Now that you're gone
I just wanna let you know

I'm sorry for loving you (I'm sorry for loving you)
I'm sorry for all the tears you cry
For all that I did to you (for all that I did to you)
I'm sorry I came into your life
Cause if it wasn't for me
Girl you'd still believe
That a man could be good
Now your heart won't let you love again

Baby I'm sorry for, I'm sorry for loving you

(I'm sorry)

For every time that you had to sleep alone

(I'm sorry)

For every time I never picked up the phone

(I'm sorry)

For every time I made you cry, every time I told a lie

I wish that I could turn back time

I'm sorry for loving you (I'm sorry for loving you)

I'm sorry for all the tears you cry

For all that I did to you (for all that I did to you)

I'm sorry I came into your life

Cause if it wasn't for me

Girl you'd still believe

That a man could be good

Now your heart won't let you love again

Baby I'm sorry for, I'm sorry for loving you
