

Summer Forever

Stevie Hoang

Ooooooh, eh eh eh, oh oh oh oh oh
Yeahhh, oh oh oh

I remember it was summer, when I first laid eyes on you
I was speechless, you were nervous, but I tried to play it cool
When you smiled you had me so weak, from the start you had me falling
so deep
Every day the sun was shining on me, now im here wishing that I could
be

Summer forever, I can still remember, can we take it back to when
We were together, without you in my life, the sun will never shine ag
ain
Baby it's now or never, cos I just can't be without you
Summer forever, is all im wishing for, can we take it back, to summer
forever

Oh, oh, oh, oh, oh, hey
Oh, oh, oh, summer forever, hey
Oh, oh, oh, oh hey, oh, oh, oh, can we take it back, summer forever

Cold December, stormy weather, ever since you went away
Now I long for yesterday and all the warmth your love can bring
Strolling beside the sea, hand in hand, riding our names together in
the sand
Watching your hair blow in the ocean breeze, now it's raining down on
me

Summer forever, I can still remember, can we take it back to when
We were together, without you in my life, the sun will never shine ag
ain
Baby it's now or never, cos I just can't be without you
Summer forever, is all im wishing for, can we take it back, to summer
forever
Oh, oh, oh, oh, oh, hey, can we take it back, summer forever
Oh, oh, oh, oh oh, hey, yeah yeah can we take it back, summer forever

Like the sunshine, girl you should be here
Without you in my life, yeah nothing can compare
Cos im the one for you, and you're the one for me
Together we can last for eternity
Storm can't shake us, thunder can break us
We'll be standing strong so don't worry about the haters
So when the skies are grey, so when the skies are blue
Just know that I'll be standing right here

Summer forever, I can still remember, can we take it back to when, we
were together
Without you in my life, the sun will never shine again
Baby it's now or never, coz I just can't be without you
Summer forever, it's all im wishing for, can we take it back, to summ
er forever

Oh, oh, oh, eh, oh, oh, oh summer forever, hey
Oh, oh, oh, oh hey, can we take it back, summer forever
