

# That Girl

Stevie Hoang

That girl  
That girl  
That girl  
That girl

Don't you worry 'bout that girl  
I ain't messin' with that girl  
She'll never be the one for me  
'Cause you're the only one I need

I might be checkin' out that girl  
She's nothin' more than just that girl  
Baby, you will always mean much more to me  
Than that girl

Why you gotta come at me with this tonight?  
Going round and round the same old story every time  
Said you just saw me looking when she passed by  
How you tell me you be thinkin' I don't act right  
Baby, all we do is end up in another fight

Shawty tell me why you gotta keep your eyes on me  
Why you gotta worry everywhere I be  
Why you getting mad every time I'm gone  
Thinkin' I'll be out tryin' to do you wrong

Now, I may look occasionally  
But you're the only one that I need  
So, girl, don't turn this into something  
I swear she don't mean nothing

Don't you worry 'bout that girl  
I ain't messin' with that girl  
She'll never be the one for me  
'Cause you're the only one I need

I might be checkin' out that girl  
She's nothin' more than just that girl  
Baby, you will always mean much more to me  
Than that girl

Baby, there's nobody that could take your place  
Tell me, why the hell would I just throw it all away  
It's crazy, every time a girl walks by, I see you watching my eyes

Girl you know we can't keep going on this way

I know she could never put it down the way you put it on me  
Ain't nobody know me better than you know me  
So I'm always gonna stick around  
Ain't no way I'm gonna let you down

Now, I may look occasionally  
But you're the only one that I need  
So, girl, don't turn this into something  
I swear she don't mean nothing

Don't you worry 'bout that girl  
I ain't messin' with that girl  
She'll never be the one for me  
'Cause you're the only one I need

I might be checkin' out that girl  
She's nothin' more than just that girl  
Baby, you will always mean much more to me  
Than that girl

It's you that I'm lovin' and nobody else  
Girl you know you got me all to yourself  
Every word I say is true  
I just wanna be with you

It's you that I'm lovin' and nobody else  
Girl you know you got me all to yourself  
Every word I say is true  
I just wanna be with you

Don't you worry 'bout that girl  
I ain't messin' with that girl  
She'll never be the one for me  
'Cause you're the only one I need

I might be checkin' out that girl  
She's nothin' more than just that girl  
Baby, you will always mean much more to me  
Than that girl
