

Tornado

Stevie Hoang

All I see when I look 'round me
Broken dreams and shattered memories
All the dust rising from the floor
I was blind to see you coming
Should've ran but I was falling
I was dumb to let you through the door

Through the darkest night I wondered why
I try to blame myself
Now I realise I never had a prayer

Like a tornado
Crashing through the dark
Shattering my heart
You came to tear me down
That is who you are
Like a raging storm
You left me all alone
Like a tornado
Like a tornado

Did your best to try to break me
I survived now I see clearly
Someone like you wasn't made to love
What doesn't kill you makes you stronger
I know that I'll come back wiser
Through the ashes I will rise again

Through the darkest night I wondered why
I try to blame myself
Now I realise I never had a prayer

Like a tornado
Crashing through the dark
Shattering my heart
You came to tear me down
That is who you are
Like a raging storm
You left me all alone
Like a tornado
Like a tornado

And now the storm is fading, I can see the sun (I can see the sun)
I know I'm strong enough to mend (strong enough to mend)
With every scar you gave me I'll never be the same
But I'll find a way to make it through the rain, whoaaaaa

Like a tornado
Crashing through the dark
Shattering my heart
You came to tear me down
That is who you are
Like a raging storm
You left me all alone
Like a tornado
Like a tornado
Like a tornado
Like a tornado
