## **Lost Stars**

## **Stevie McCrorie**

Please don't see Just a boy caught up in dreams and fantasies Please see me Reaching out for someone I can't see

Take my hand Let's see where we wake up tomorrow Best laid plans Sometimes are just a one night stand I'll be damned Cupid's demanding back his arrow So let's get drunk on our tears and

God, tell us the reason Youth is wasted on the young It's hunting season and the lambs are on the run Searching for meaning But are we all lost stars, trying to light up the dark?

Who are we? Just a speck of dust within the galaxy Woe is me If we're not careful turns into reality

Don't you dare Let our best memories bring you sorrow Yesterday I saw a lion kiss a deer Turn the page Maybe we'll find a brand new ending Where we're dancing in our tears and

God, tell us the reason Youth is wasted on the young It's hunting season and the lambs are on the run Searching for meaning But are we all lost stars, trying to light up the dark?

I thought I saw you out there crying I thought I heared you call my name I thought I heared you out there crying Oh, just the same, oh yeah

God, give us the reason Youth is wasted on the young It's hunting season and this lamb is on the run Searching for meaning But are we all lost stars, trying to light up the dark?

I thought I saw you out there crying I thought I heared you call my name I thought I heared you out there crying

But are we all lost stars, trying to light up the dark? But are we all lost stars, trying to light up the dark?
