

Kick It

Stevie Nicks

I'll stay with you one more night
I'll bid you no goodbyes
Not until tomorrow's light
Then I'll say goodnight
I would really rather die
Than make you stop
I think that is the meaning of love

I think that is the meaning of love
And I prefer to kick it
Yes I think that is the meaning of love
And I prefer to kick it kick the habit

Well I'm waited for in Egypt
It's just something I must do
Yes I can see you're waited for all over you
All day and all night all over the world
It's your world

I think that is the meaning of love
And I'm prepared to kick it
Yes I think that is the meaning of love
And I prefer to kick it

So what is this when you can
What is this what about me
What is this (What is this)
I understand (I understand)
What is this I'm lonely I'm lonely (I'm lonely)

It's a strange kind of love affair
A symphony of sorts
Strange kind of love affair
A declaration of war
No I won't be here tomorrow night
You won't see me smiling
Tomorrow when it's very dark No crying

I think that is the meaning of love
And I prefer to kick it
Yes I think that is the meaning of love
Surrender
Well I think that is the meaning of love
I think that is the meaning of love
And I prefer to kick it
Yes I think that is the meaning of love
But I prefer to kick it
Well I loved you more than life itself
Nothing like forever more
But I'm prepared to kick it
(Something like dying)
Yes I loved you more than life itself
But I'm prepared to kick it
