

# Lookin' Out the Window

Stevie Ray Vaughan

Well I'm lookin' out the window, I'm lookin' at you  
Yeah I'm lookin' out the window, I'm lookin' at you

Well I'm dreamin' all the sweet dreams and the memories of the  
past  
Feel so fine honey, thats why our love should last  
Feel so good baby and it's all because of you  
I've gotta love ya, I need to love ya, I want to love ya so nic  
e  
We're havin' all the time to ourselves  
Yeah we're havin' all the fun to ourselves

Lord I'm pickin' up the pieces off the shelf  
Won't take long baby 'cause there's hardly any left  
Feel so good baby but it's all because of you

I've gotta love ya, I need to love ya, I want to love ya so nic  
e  
I'm lookin' out the window, I'm lookin' at you  
Yeah I'm lookin' out the window, I'm lookin' at you

Well I'm dreamin' all the sweet dreams and the memories of the  
past  
Feel so fine honey, thats why our love should last  
Feel so good darlin' and it's all because of you  
I've gotta love ya, I need to love ya, I want to love ya so nic  
e

I'm lookin' out the window, I'm lookin' at you  
Yeah I'm lookin' out the window, I'm lookin' at you  
Yeah I'm lookin' out the window, I'm lookin' at you
