Tightrope

Stevie Ray Vaughan

Caught up in a whirlwind can't catch my breath Knee deep in hot water, broke out in a cold sweat Can't catch a turtle in this rat race Feels like I'm losin' time at a breakneck pace

Afraid of my own shadow in the face of grace
Heart full of darkness spotlight on my face
There was love all around me but I was lookin' for revenge
Thank God it never found me would have been the end

Walkin' the tightrope, steppin' on my friends Walkin' the tightrope, it was a shame and a sin Walkin' the tightrope between wrong and right Walkin' the tightrope both day and night

Lookin' back in front of me, the mirror's a grin
Through eyes of love I see I'm really lookin' at a friend
We've all had our problems, that's the way life is
My heart goes out to others, who are there to make amends?

We've been walkin' the tightrope tryin' to make it right Walkin' the tightrope, every day and every night Walkin' the tightrope, bring it all around Walkin' the tightrope from the lost to found

Walkin' the tightrope, stretched around the world Walkin' the tightrope, save the boys and girls Walkin' the tightrope, let's make it right Walkin' the tightrope, do it, do it tonight Walkin' the tightrope
