I didn't drink and I never danced I couldn't take no club romance But this floozy had no shame Libedo torpedo

I was Too cool to calypso Too tough to tango Too wierd to watusi Too tough to tango Too cool to calypso Too tough to tango Too cool to calypso Too tough to tango Too cool to calypso Too tough to tango

What she did was hard to believe
Libedo torpedo
But by morning I couldn't leave
Libedo torpedo
Picking her up was like falling down the stairs
With her on top of me I couldn't put on any airs

I was Too cool to calypso Too tough to tango Too wierd to watusi Too tough to tango Too cool to calypso Too tough to tango Too cool to calypso Too tough to tango Too tough to tango

At my heart she took careful aim Libedo torpedo And you know,that floozy had no shame Libedo torpedo

I was -Too cool to calypso Too tough to tango Too wierd to watusi Too tough to tango Too cool to calypso Too tough to tango Too wierd to watusi Too tough to tango Too cool to calypso Too tough to tango Too wierd to watusi Too tough to tango Too cool to calypso Too tough to tango Too cool to calypso Too tough to tango
