Stiff Little Fingers

Woman hold her head and cry Cause her son had been shot down in the street and died From a stray bullet

Woman hold her head and cry Accompanying her was a passerby Who saw the woman cry

Wondering can she work it out Now she knows that the wages of sin is death The gift of God is life

Oh, oh, oh, oh
Johnny was a good man
oh yeah

Woman hold her head and cry Cause her son had been shot down in the street and died Just because of the system

Woman hold her head and cry Comforting her I was passing by And I saw the woman cry

She cried, oh, oh, oh, oh Johnny was a good man Never did a thing wrong

Take it down

Johnny went out on a Saturday night
Never hurt anybody never started no bar room fight
Johnny never did nobody no wrong
Never hurt anybody never hurt anybody
Johnny was a good man
Johnny, Johnny, Johnny...

Johnny was a good man (Repeat)

In a top floor flat in the middle of the night
There's a man with rifle and Johnny in his sight,
I said oh no, we can't let that kind of thing happen here no more
Oh no
Johnny, Johnny, Johnny...

A single shot rings out in a Belfast night and I said oh Johnny was a good man $\,$

Can a woman's tender care Cease towards the child she bears

Johnny (Repeat)
