

I Hate To Sleep Alone

Stone Fury

You and me, we don't wanna know
What real love is like
We know what we want to do
And what feels right
We hate to sleep alone

You came to me when you were alone
Just the other night
Your lover had left you after
A quarrel and fight You hate to sleep alone
Go, all night, go on

We're children of the night
And we know what it's like to run away
Squeeze me tight, squeeze me tight
Go on, all night, go on
