## All Across the Sands

## The Stone Roses

Bones of an impressive romance Scattered all across the sands A secret safe with all the world Too vain to seem so capable

Can you hear it calling?
Do you feel warmer
As the hired hand's exposed?

How can a pretty painted shell Send them all packing off to Hell? A freight train laughs and rattles by You kissed the girls and made them die

Can you hear it calling?
Do you feel warmer
As the hired hand's exposed?

And I'll never come here again
And we will never come here again
And we will never play here again, again

Can you hear it calling?
Do you feel warmer
As the hired hand's exposed?

After her call After her call After her call Did I call?

Can you hear it calling?
Do you feel warmer
As the hired hand's exposed?

After her call After her call After her call And she calls
