

## Fools Gold

The Stone Roses

The gold road's sure a long road  
Winds on through the hills for fifteen days  
The pack on my back is aching  
The straps seem to cut me like a knife

The gold road's sure a long road  
Winds on through the hills for fifteen days  
The pack on my back is aching  
The straps seem to cut me like a knife

I'm no clown I won't back down  
I don't need you to tell me what's going down  
Down, down, down, down, da down, down, down  
Down, down, down, down, da down, down, down

I'm standing alone, I'm watching you all  
I'm seeing you sinking  
I'm standing alone you're weighing the gold  
I'm watching you sinking  
Fool's gold

These boots were made for walking  
The marquis de sade don't wear no boots like these  
Gold's just around the corner  
Breakdown's coming up round the bend

Sometimes you have to try to get along dear  
I know the truth and I know what you're thinking

Down, down, down, down, da down, down, down

I'm standing alone, I'm watching you all  
I'm seeing you sinking  
I'm standing alone you're weighing the gold  
I'm watching you sinking  
Fool's gold, fool's gold

I'm standing alone, I'm watching you all  
I'm seeing you sinking  
I'm standing alone, you're weighing the gold  
I'm watching you sinking  
Fool's gold, fool's gold
