

Good Times

The Stone Roses

Hell hath no fury like a woman scorned
I'll tell you my story man
I wish I'd never been born
I'm loose at the seams
I've broken my dreams
And my hand, it shakes the pen
Come on, come on now baby
Let the good times roll again, yeah

Where did our sweet love go
Who stole away our time
Why do the stars above
Refuse to shine
The harder I try to paint a picture
Of the way it was back then
The more I miss the good times, baby
Let it roll again

Good times baby, this is the time
I need to know that your love is mine
Love me up yeah, you reel me in
I'm hooked, line and sinker
She's my heroin

How many days have I been
Lying on my back
Staring at the ceiling girl
Stretching on your rack
The harder I try to paint a picture
Of the way it was back then
The more I miss the good times, baby
Let it roll again

Good times baby, this is the time
I need to know that your love is mine
Love me up yeah, you reel me in
I'm hooked, line and sinker
She's my heroin

Said I'm hooked now
I'm not faking
I'm here 'till the day I die
Can't get enough now
My heart is aching
I'm in too deep to stop
All I want is thoseâ€¦!
Good times baby, show me a sign
I need to know that your love is mine
Love me up yeah, you reel me in
I'm hooked line and sinker
She's my heroin
