

# No One Will Ever Know

Stonewall Jackson

No one will ever know my heart is breaking although a million tears  
eardrops start to flow  
I'll cry myself to sleep and wake up smiling I'll miss you but  
no one will ever know  
I'll tell them we grew tired of each other and realized our dreams  
could never be  
I'll even make believe I never loved you then no one will ever  
know the truth from me

No one will ever know how much I'm pining  
Each time the past comes back to haunt me so  
No one will ever see the tears I'm hiding you've hurt me but no  
one will ever know

I'll tell them I've found true love with another  
That I was glad the day you set me free  
I'll even make believe I never loved you then no one will ever  
know the truth from me
