

# Signe Of The Warlorde

Stormwarrior

Thunder roars, lightning strikes  
A clash of steel shakes the ground  
Warcries, hordes collide  
The raging battle, a mighty and glorious sound

Deatheblows, fatal defiance  
Free our clans from the siege  
Fighte for the stronge alliance  
Defend the ancient belive

Rise, stand the tyranny, pledge allegiance to this war  
...beware the return of our gods

In the sign of the warlord we will ride  
Delivering the faith in honnor and pride  
Hail to Odin, the farher of gods  
Glory to thee, in the sign of the warlord

Eyes of wrath, hearts of vengeance  
Descendants of the forefather's age  
March for deliverance  
Assailing withe furios rage

In the sign of the warlord we will ride  
Delivering the faith in honnor and pride  
Hail to Odin, the farher of gods  
Glory to thee, in the sign of the warlord
