

## Welcome Thy Rite

Stormwarrior

Thine twelventh winter hath gone  
Thy time of manhoode hath come  
Learne how to fighte

Embraced by Helm Bearer's host  
Thy consecration to holde  
Now wait for the nighte  
(Get ready to fighte)

Marked by the spear and hanged thou shalt be  
The secrets of the Highe One to see

Welcome thy rite  
Embrace the cult of the Ancient One  
Offer thyself and wise thou'll become  
Welcome thy rite

Now thy rite lies ahead (Tonighte)  
Thy vivid bloode will be shed  
Fear not the blade

Pain and wrathe thou shalt feelee  
Ecstatic rage to reveale  
Enter this state (Fear not the blade)

Careful they've been the secret to keepe  
Helm Bearer's son thou shalt be

Welcome thy rite  
Embrace the cult of the Ancient One  
Offer thyself and wise thou'll become  
Welcome thy rite
