

Bomb

Stradlin Izzy

Feelin' stoned motherfucker bang in the head
Kamikaze living fast
They wanna go to a promised land
Oh yeah I'll give 'em all a hand

Ahead, ahead, ahead

Hey drop the bomb, hey drop the bomb

Greazy little bomber flying right on track
Radio in for an air attack
Lock in position for the final pair
They're throwing a bomb that's a miracle man

Ahead, ahead, ahead

Hey drop the bomb, hey drop the bomb
Hey drop the bomb, hey drop the bomb

Solve in a line for the main attack
Give 'em a ring tell 'em where it's at
Lock in position for the final pair
They're throwing a bomb that's a miracle man

Ahead, ahead, ahead

Hey drop the bomb, hey drop the bomb
Hey drop the bomb, hey drop the bomb
