

Jump In Now

Stradlin Izzy

You're only human
Why you packing that load
You make it heavy
Till you fall in the road
Year after year
You keep going nowhere

Why you're so lonely
Is you piss and you moan
Any lessons you're shown
Doesn't it show
Year after year
You keep going nowhere

Till you have no choice
But to jump in the water
Till you have no choice
But to jump in now

If you've an SOS
You send it on time
Communication
Is your only device
Year after year
You keep going nowhere

Imagine you can run it
All on your own
You talk about it
You've got nothing to show
Year after year
You keep going nowhere

Sink or swim
And I don't think that you'll make it
You have no choice left
So jump in or drown

Jump in or drown
(Repeat)
