

Milo

Stradlin Izzy

Sit on a hill and I'm playing my guitar
Sit on a hill and I'm playing my guitar
Yeah it's good
A little smoggy today
Go Milo go, go Milo go
He's chasing down a young coyote
Sit on a hill and I'm playing my guitar
Sit on a hill and I'm playing my guitar
It was good
Smoke has faded today
Go Milo go, go Milo go
He's chasing down a young coyote
Sit on a hill and I'm playing my guitar
Sit on the hill and I won't lean them too far
It was good
Sky is so clear today
Go Milo go, go Milo go
He's chasing down a young coyote
Go Milo go, go Milo go
He's chasing down an old coyote
