

## Ride On

Stradlin Izzy

Say good lookin  
Yea real fine baby  
Said good lookin'  
Watcha say maybe  
U and me  
Sailin' deep, huh  
Ride on baby

I heard ya been bitter  
'Bout your old friend bitchin'  
If it'll make you feel better  
Well take a ride into the weather  
U and me sailin' deep, huh  
Ride on baby  
(Solo)  
Damn good lookin'  
Say ya real fine baby  
I'm packin for a runnin'  
Past the city limits  
U and me  
Sailin' free  
U and me  
Ridin' free  
Ride on baby
