## Let It Snow

## **Straight No Chaser**

## Snow

Oh, the weather outside is frightful But the fire is so delightful, hey And since we've no place to go Gonna let it snow, let it snow, let it snow

And it doesn't show signs of stopping And I've brought some corn for popping The lights are turned way down low Gonna let it snow, let it snow, let it snow Let it snow

When we finally kiss goodnight How I'll hate going out in the storm But if you'll really hold me tight All the way home I'll be warm

Oh, the fire is slowly dying And my dear, we're still goodbying But as long as you love me so, love me so Gonna let it snow, let it snow, let it snow

Let it snow, gotta let it, gotta let it snow Gotta let it, gotta let it snow Gotta let it, got to let it, gotta let it Got to let it snow, oh

The weather outside if frightful But by the fire it's so delightful, just let it snow The weather outside if frightful But by the fire it's so delightful, just let it snow

It doesn't show signs of stopping And I've brought some corn for popping, just let it snow The fire is slowly dying, And my dear, we're still goodbying, just let it snow

When we finally kiss goodnight How I'll hate going out in the storm But if you'll really hold me tight All the way home I'll be warm

Oh, the fire is slowly dying And my dear, we're still goodbying But as long as you love me so Just let it snow, let it snow, let it snow

Let it snow, snow Gotta let it, gotta let it snow Gotta let it, gotta let it snow Gotta let it, gotta let it, gotta let it snow
