Strapping Young Lad

I've Got A Feeling  
With The Wrong People  
And I Can't Control My Thoughts

I Wish That I Could Sleep  
And Just Get This Over With  
...This Is Only High School Bullshit...

I Just Want To Feel

I Was Born  
Absolutley Numb  
No Good Around People  
Everyone Knows And Watches Me

How Did I Get Here Tonight?  
What Am I Doing Here?  
How Did I Reach This State?  
How Did I Lose My Sight?

I'm Lost ... I'm Freaking  
And Everybody Knows ... Everyone's Watching

...So Here's All My Hopes And Aspirations  
Nothing But Puke  
God, It's So Lonely...

I Just Want To Feel
