

## Dirt Pride

## Strapping Young Lad

Praing yourself,  
Do you know what you're doing?  
Point blank when you hear what I say  
No way you can wash away nature...  
Do you know what you're doing...  
Do you know what to say?

Dripping... Seeping  
Dripping... Leaking  
Dripping... Cabbages

Grazing away  
Do you know what you're feeling?  
You fool... do you know where you lay?  
I'm gone, there's no answer... it's over  
Do you know what I'm saying...  
Do you know what I'm saying?

Dripping... Gigbutt  
Dirt Pride... My pride  
Dripping... Bunksock

Bathe... Bathe...  
Commiserate...Commiserate...

I'm not about helping hopeless  
Bored when I wash them away...  
Internal a body at war with itself  
And the bleeding I do... it's for me

Dripping... Seeping  
Dripping... Leaking  
Dripping... Cabbages

Bathe... Bathe...  
Commiserate... Commiserate

Praising yourself  
Do you know what you're doing?  
Point blank when you hear what I say  
No color, no code, no creed... WAR

Wash my fucking balls
