

Father Time

Stratovarius

Walking down the path that lead me to my memories.
Facing all the way without a care in my stride.
Where are the friends of my yesterday,
Have they moved on with their lives.
Can we still laugh and joke about things like before?

Theres no need to hide the past that I have left behind
Its a good resource somewhere for me to find
Why am I waiting for someone to reach out
it should be all up to them
keeping in touch aint that easy but Ill have to try

Where have all the years gone
That's what I am asking now.
What have I learned so far tell me Father Time
- Tell me now.

Now I understand I'll take from time what I need.
And I store it inside it's there for me to find
I can't deny that the years will pass by but it won't bother me
.
Coz now I will set out to realize my dream.

Where have all the years gone
That's what I am asking now.
What have I learned so far tell me Father Time
- Tell me now.
