Will the Sun Rise?

Stratovarius

Throwing my dreams out of my mind casting them into the sky. Canceling tasks I've delayed for so long now it's do or die.

I can't be seen I can't be heard but I am here and I am wondering.

Will the sun rise tomorrow will it light up my sky.

Can I wake up with no sorrow awaiting.

Will the sun Rise tomorrow,

will I still see the dawn and not worry 'bout the future at all \cdot

At the end of each day I promise myself, I'd better start to li ve.

Coz sooner or later I'll find out there's so much I can give.

I can't be seen I can't be heard but I am here and I am wondering.

Will the sun rise tomorrow will it light up my sky Can I wake up with no sorrow awaiting. Will the sun Rise tomorrow, will I still see the dawn and not worry 'bout the future at all.
