

Paper Planes

Street Sweeper Social Club

I fly like paper, get high like planes
If you catch me at the border I got warrants in my name
If you come around here, we workin' all day
Your life gon' pass you in a second if you wait

I fly like paper, get high like planes
If you catch me at the border I got warrants in my name
If you come around here, we workin' all day
Your life gon' pass you in a second if you wait

Just like Jesse James when I'm sittin' on trains
Every step we get see we're clockin' that game
Dog food for dinner, the world is in flames
Bona fide hustlers making that change

Just like Jesse James when I'm sittin' on trains
Every step we get see we're clockin' that game
Dog food for dinner, the world is in flames
Bona fide hustlers making that change

All they wanna do is

And take your money

All they wanna do is
And a
And take your money

All they wanna do is
And a
And take your money

All they wanna do is
And a
And take your money

Pirate skulls and bones
Sticks and stones and bullets and bombs
Running when we hit 'em
A little poison for the system
