

Supernothing

Streetlight Manifesto

He wakes up sad again and he wonders when the rain will end,
She acts like she don't care cause to her it's just a game, that he plays,

I'm a super, I'm a nothing, I'm a no one, goin' nowhere fast,
But I don't care, but I don't care,
I'm a super, I'm a nothing, I'm a no one, goin' nowhere fast,
But I don't care, but I don't care.

All the times he said he would she never really understood,
What he said, or what he meant, he won't forget what wasn't said,

He'll find himself alone standing in the rain,
I'm a super, I'm a nothing, I'm a no one, goin' nowhere fast,
But I don't care, but I don't care,
I'm a super, I'm a nothing, I'm a no one, goin' nowhere fast,
But I don't care, but I don't care.

He wakes up sad again and he wonders when the rain will end,
She acts like she don't care cause to her it's just a game, that he plays, yeah,

I'm a super all or nothin', I'm a no one, going nowhere fast,
But I don't care,
I'm a super all or nothin', I'm a no one, going nowhere fast,
But I don't care, but I don't care.

All the times he said he would she never really understood,
What he said, or what he meant, he won't forget what wasn't said,

He'll find himself alone standing in the rain, yeah, yeah, yeah,

I'm a super all or nothin', I'm a no one, going nowhere fast,
But I don't care,
I'm a super all or nothin', I'm a no one, going nowhere fast,
But I don't care, but I don't care.
