

## How Does The Wine Taste?

Barbra Streisand

How does the wine taste?  
Does it stain your lips?  
What is the fruit-like?  
Just beyond my finger tips?  
Just out of reach I see so much  
I cannot taste and mustn't touch  
Tied to my little world  
My safe little world  
What would it be like  
If I broke the string?  
Would it be lovely  
And a little frightening?  
There is so much I've never understood  
How does the wine taste?  
Is it good?  
Hmmm...  
Lah-da-dee-dah-da...  
How does the wine taste?  
Does it make you glow?  
How does the wine taste?  
How does the wine taste?  
How does the wine taste?  
I think I know!  
Dah-dah-dee-dee...  
Hmm...hmm...  
Ooohm...
