

## Wish I Knew

Strife

Still hanging on the words from your lips  
Still trembling at my fingertips  
The end came sooner than expected  
It came without warning without mercy  
Believe in me you said... you said  
Trust in me you pled... you pled  
It's all misled  
Why did I believe  
How could I not see  
I wish I knew... so where do I go from here?  
Where do I belong?  
If not amongst you then with who?  
With who?  
I wish I knew...  
I wish I knew...  
I wish I knew...  
I wish I knew...  
With who
