

12:51

The Strokes

E **A**
Talk to me now I'm older
F#m **B**
Your friend told you 'cause I told her
E **A**
Friday nights have been lonely
F#m **B**
Change your plans and then phone me

E C#m B (4x)

We could go and get 40s
Fuck goin' to that party
Oh really, your folks are away now?
Alright, let's go, you convinced me

E C#m B (4x)

Am **E**
12:51 is the time my voice
Am
Found the words I sought
E
Is it this stage I want?
Am **E**
The world is shutting out, for us
Am
We were tense for sure
E
But we was confident

E **A**
Kiss me now that I'm older
F#m **B**
I won't try to control you
E **A**
Friday nights have been lonely
F#m **B**
Take it slow but don't warn me
E **A**
We'd go out and get 40's
F#m **B**
Then we'd go to some party
E **A**
Oh really, your folks are away now?
F#m **B**
Alright I'm coming...
