

# I Hurt Myself

Sturm und Drang

Holdin' all my breath, I've got so much more to say  
We've been down this road before, but it's different today  
Now I wanna tell you sorry, though I know it's not enough

When I tell you what I've done, and excuses there are none

I've hurt myself everyday  
I hurt myself everyday  
Just by looking at my face  
I've hurt myself everyday  
I've hurt myself

Couldn't see a thing, now I see it all too clear  
You can leave me if you want, least I'm rid of that one fear  
You can throw away my life lines, you can bury me in grief  
But it's nothing new to me, no there is nothing left to kill

I've hurt myself everyday  
I've hurt myself everyday  
Just by looking at my face  
I've hurt myself everyday  
I've hurt myself, I've hurt myself

(Guitar Solo)

I've hurt myself everyday  
I've hurt myself everyday  
Just by looking at my face  
I've hurt myself everyday  
I've hurt myself

I've hurt myself  
I've hurt myself  
I've hurt myself  
I've hurt myself
