

Give N Take

Styles P

Sometimes you give, sometimes you take
That's how life goes
Sometimes you're buildin', sometimes you breakin' shit down
That's how life goes
Yeah

Let 'em sleep, give 'em a pillow (Let 'em sleep)
They say f*ck me? I say, "Ditto" (Ditto)
Catch a homi' and leave a riddle (Hahaha)
Funny nigga but more like the Joker (More like)
Coke at the COCACabana, banana clip in the shooter
In a smoker, pockets like Al Roker (Yeah)
That's before the operation
Before rap I sold crack as a occupation (Facts)
You know about goin' home, feelin' the pain station? (You know?)
And I am in-tune 'cause I come from the same station (I'm in-tune)
Sick, blowin' the weed, I am the same patient (Sick)
If you lookin' for fire, know that the flame waitin' (Flames)
Ghost back but you should know that 'cause I never left (You should know tha
t)
My guns don't jam, I was never death (Never)
Put the revolver to a nigga (Hahaha)
The black Godfather to a nigga

What I gotta give? What I gotta take? (Hah?)
What I gotta build? What I gotta break?
Prayin' for the strength and I'm prayin' for the grace
I'ma make it manifest, I already got the faith (Already)
What I gotta give? What I gotta take? (Hah?)
What I gotta build? What I gotta break?
Prayin' for the strength and I'm prayin' for the grace
I'ma make it manifest, I already got the faith (Already)

I'm thinkin' to myself, 'What I gotta take?' (What I gotta take?)

They told me slow down but I forgot the way (Forgot)
Talkin' with God but I forgot to pray
Fishin' for this money but I forgot to bait (Woo)
Meetin' with death but I forgot the date (I forgot)
Told me pay my dues but I forgot to pay
Headed to the top but I forgot the way (Which way?)
I'm tryna get stone but I forgot the J
I'm familiar with loss, I know sacrifice well
If you tryna bring me hell, know I ain't forget the gate (Hahaha)
Tell them cockroach niggas that I ain't forget the spray (Nah)
Brought the scale with me, yeah, I ain't forget the weight
What I got to give to live better than I live right now?
Bars sicker than the hiv right now (Sick)
f*ck around and get you shiv'd right now (f*ck around)
Rather not, I'd rather just build right now

What I gotta give? What I gotta take? (Hah?)
What I gotta build? What I gotta break?
Prayin' for the strength and I'm prayin' for the grace
I'ma make it manifest, I already got the faith (Already)
What I gotta give? What I gotta take? (Hah?)
What I gotta build? What I gotta break?

Prayin' for the strength and I'm prayin' for the grace
I'ma make it manifest, I already got the faith (Already)

What I gotta give man?
What I gotta take?
Blood, sweat, tears, all that
Walk your path, though
Stay cool, stay humble
Love is love
SP the Ghost, D-Block
Yeah
