

# As Bad As This

Styx

**E D A E**

**E** **Em**  
Did you ever in your life before

**D A** **E**  
Feel as bad as this?

**E** **Em**  
Did you ever in good time think

**D A** **E**  
My life had gone amiss?

**Em** **A**  
Now I feel I've been unfair

**Em** **A**  
'cause I catch you hanging there.

**E** **Em**  
Did you ever in your life before

**D A** **E**  
Feel as bad as this?

God knows I tried a half a year  
But it didn't do no good.  
My damndest try to make it work,  
I knew it never would.  
Now there's nothin' wrong with you,

And there's nothing you could ever do.  
God knows I tried a half a year  
But it didn't do no good.

The times were good,  
But over now,  
A pleasant memory.  
I'm sorry, there's another face  
One that's close to me.  
You know 'bout what I learned  
And there's no stone left unturned.  
The times were good,  
But over now,  
A pleasant memory. (sigh)  
Stops

**E**  
Don't sit on the Plexiglas toilet

**B**  
Said the momma to her son

**E**  
Wipe the butt clean with the paper

**A**  
Make it nice for everyone

**E** **B** **E B**  
But don't sit down on the Plexiglas toilet yeah

A boy of 5 stands close to the toilet  
Holds the lid up with one hand  
Won't let go the lid for fear that  
On his banana it will land  
Don't sit down on the Plexiglas toilet yeah

Boy goes up he eats the enchilada  
With the sauce that burns the heart  
Family comes to visit family  
Momma says don't belch and fart

Don't sit on the Plexiglas toilet  
Said the momma to her son  
Wipe the butt clean with the paper  
Make it nice for everyone  
But don't sit down on the Plexiglas toilet yeah

Everybody Sing!

Don't sit on the Plexiglas toilet  
Said the momma to her son  
Wipe the butt clean with the paper  
Make it nice for everyone  
But don't sit down on the Plexiglas toilet yeah

Don't sit on the Plexiglas toilet  
Said the momma to her son  
Wipe the butt clean with the paper  
Make it nice for everyone  
But don't sit down on the Plexiglas toilet yeah

Fun Song.
