

Unfinished Song

Styx

G F G F

G **Em**
1. Where am I going?
Am **D**
How do I get there?
Bm **Em** **C C/B Am Am/G**
What should I bring along?
C **Bm**
Are people kind there?
Em **Cm**
Is peace of mind there?
G **F** **G**
Will I finally belong?

B F

2. Some poets say that
There'll come a day that
I'll find a place for me
Why aren't I there yet?
Why can't I share yet?
Why can't my heart be free?

G **C**
R: Cause you know ships sail their courses
G **B**
And heroes ride horses
Am **C** **D**
They know where they belong
G **C**
But I travel in circles
Em **Cm**
Quickly to nowhere
G **F** **G**
Singing my unfinished song

G F G F G C D

R: Cause you know...

F **G** **F** **G**
Unfinished Song, unfinished song
