

## Family Secrets

Subseven

Past the party - outside the walls  
Into the dark - we all follow  
Cool night air - no words spoken  
The plans they made - We all broke them  
Made for abundance  
In this torch lit - in this circle  
We are the ones  
That understand all these whispers  
Past the party - through the woods  
Hear the message - misunderstood  
Listen closely - the word is ours  
Family secrets - inside our hearts  
Made for abundance  
In this torch lit - in this circle  
We are the ones  
That understand - all these whispers
