## Suburban Legends

(Testing, testing 1-2-3)  
(Ahhh, yeah!)  
(Let's go!)  
I bet wouldn't have thought  
That I'd just pull out my heart  
In a song that you asked for baby  
Between you and me  
I've got a secret crush you see  
You're the woman that makes me wanna  
Why you waste your time?  
(I don't know, whoa)  
With my complicated one track mind  
Young child just so much older and  
All I really ask my self is  
Why? Why? Why? Why?  
If you were my girl  
Than I'd be your boy  
Everybody knows that I would be your toy  
We can do what you like  
I don't care  
Just as long as we're together  
Together  
(Alright, yeah!)  
(Testing, testing 1-2-3)  
(Ahhh, y-yeah!)  
Shorty I think about you  
Every single night and day  
(Teresa, Teresa)  
I got dreams of you being in my arms  
Don't tell your fiancé  
(No, no, no you'd better not cuz)  
He don't have to know about it  
Keep it between me and you  
A young child just so much older and  
All I really ask my self is  
Why? Why? Why? Why?  
(Girl I dream about ya)  
(Ohh, you know I dream about ya)  
(Girl I dream about ya)  
I can't, can't stop dreaming  
Yeah, yeah!  
[Chorus x2]
