Saying Goodbye

Sugarcult

She kisses everyone goodbye And waves her middle finger high They're never gonna mess with her again The drama queen is seventeen And sleeping with boys for free She's got a reputation of being easy

Everytime they put her down, she makes a fist and the tears roll down She packs her bags and plans to run away

She's saying goodbye and leaving tonight She's wasted all her lonely tear drops She's saying goodbye and leaving tonight She's used up all her lonely tear drops now

She thinks about herself and cares about nobody else because the only friends she has all put her down They hate her when she's beautiful and even more when she's a fool They talk behind her back when it's her birthday

Everytime they put her down, she makes a fist and the tears roll down She packs her bags and plans to run away And everytime she makes a friend, the vicous cycle starts again She's never, ever, ever looking back

She's saying goodbye and leaving tonight She's wasted all her lonely tear drops She's saying goodbye and leaving tonight She's used up all her lonely tear drops now

She's saying goodbye She's wasted all her loney tear drops Saying goodbye She's used up all her lonely tear drops now

Everytime they put her down, she makes a fist and the tears roll down She packs her bags and plans to run away from here And everytime she makes a friend, the vicous cycle starts again She's never, ever, ever looking back

She's saying goodbye and leaving tonight She's wasted all her lonely tear drops She's saying goodbye and leaving tonight She's used up all her lonely tear drops now

She's wasted all her lonely tear drops now
