Sugarcult

wake up all alone sending postcards back to home... on the road if the medication works could i be the way i was? in control you painted a picture i'm the worst type of sinner... you know you painted a picture happier than i can afford nobody can save me nobody can save me nobody can say what i'll do if i'm alone sign off sign off sign off sign off sign off (nobody can save me) sign off sign off (nobody can save me) sign off
